## Family Information Line

With the current situation, the family information line is back on line.

This single number for all CHSLDs in Groupe Santé Arbec is the easiest way to reach us so that we can quickly answer your questions.

It is important to understand that the people who answer your calls will not necessarily have all of your questions answered, but they will make sure that someone can call you back faster than if you left a voicemail message at the center.

**Number: 514 820-7303**

**Opening Hours: Monday to Friday from 9 A.M. to 5 P.M.**

Please do not hesitate to contact us.
